

# HELP US MAKE HISTORY!

The Italian American Veterans Museum has been faithfully honoring the military contributions of Americans of Italian descent since we opened our doors in 2006.

Our exhibits explore the American Revolution, Civil War, World Wars I and II, the Korean and Vietnam Wars, and shine the spotlight on weaponry, uniforms, patches and insignia, souvenirs of war, letters from the front, military art, the Medal of Honor and so much more.

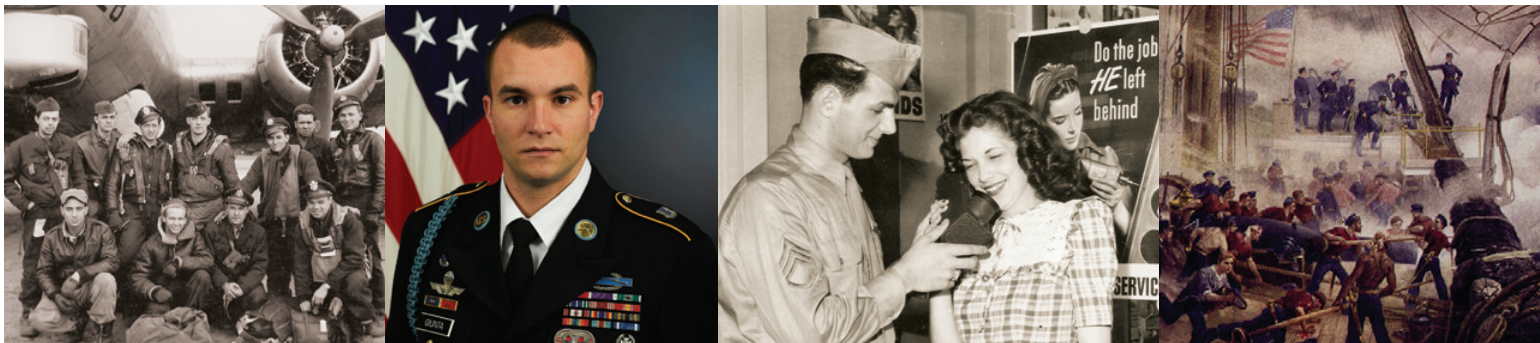

Our library features books, films, and oral histories devoted to military conflicts throughout American history, and the role that Italian Americans have played in those conflicts.

Our 2012 documentary, "5,000 Miles From Home," earned a half-dozen national Telly awards and a pair of Midwest Emmys for its stirring account of the impact that World War II had on the Chicago-area Italian-American community.

The IAVM is run entirely by volunteers, and every dime we raise is used to cover crucial costs such as rent and insurance, advertising and promotion, material and labor for the construction of exhibits, and the archiving of military memorabilia and oral histories.

The best way to help us advance our mission is to become a Friend of the Museum. The minimum requested donation is \$30, but any amount, large or small, is welcome.

*We thank you in advance for your support!*
